RIVER NOTES.—The overhauling of the steamer Samuel J. Pentz, in preparation for excursion work next summer, will be begun in a few days in Washington. All the boiler and engine repair work will be done here. In the spring she will be taken to Baltimore, to be hauled out for additional inspection.

The sand-digging machines which have been dredging building sand from the river bottom below this city are to be laid up for the winter. The big digger of Mr. Richards was brought up and taken to the Richards wharf on the Eastern branch by the tug Eugenia. One digger is still in operation on the flats above the Long bridge.

The Norfolk steamer Washington which, as stated yesterday, ran aground off Bluff Point that morning, is still aground and no steamer left here last night for Norfolk. The Newport News arrived this morning and will return to Norfolk this evening.

The steamer Wakefield was late this morning in arriving here from Washington on her way down the river, having gotten aground in Washington by reason of the very low tide which has prevailed for the past two days.

PERSONAL.—Mr. Henry Crump, who is now in Norfolk, telegraphs that his daughter, Mrs. Lillian Woodhouse, who has been seriously ill, is improving.

The Richmond Dispatch says: "Hon. Frank Hume, the Delegate from Alexandria city and county, is of the opinion that no member of the present Legislature should be eligible to the Constitutional Convention. He holds this view because he does not think it right that prospective members of the convention should pass on their own qualifications, salaries, etc. It is hardly probable, however, that his suggestion will be cordially received. Many a legislator secretly hopes to get in that convention."

By a provision in the army bill passed by the House yesterday Gen. Fitzhugh Lee will be retired as a Brigadier General in the regular army. His salary will be \$4,125 a year for the remainder of his life.

PROPERTY SALES.—It is understood that the valuable mill property at Occoquan belonging to Mrs. E. Janney has been purchased by a Washington Electrical company for \$25,000. The home place is reserved by Mrs. Janney. It is understood that the purchasers will utilize the mill and water power for generating electricity which will be conveyed by wire from Occoquan to Washington.

Capt. R. F. Knox sold at auction today for K. Kemper, special commissioner of sale, five parcels, containing about three acres of land located north of and adjoining the old canal locks, to Mr. T. Swenson Taliaferro, Jr., for the sum of \$600.

THE POOR.—The prevailing cold weather has caused some suffering among the poor, but both the city authorities and the charitable people of the city, ladies and gentlemen, are doing all in their power to assist the needy. The Alexandria Infirmary has also come nobly to the assistance of the sick and has received several people who will be taken care of for the present.

THE WEATHER.—The snow of yesterday was followed early last night by clearing weather, but the high north-west wind continued, or rather increased in force, nor was it allayed until nearly morning. The temperature fell considerably in the meantime. After dark but few people were seen on the streets. Today the weather has been clear and mild with diminishing winds.

Rev. Mr. Luecke will preach at Herndon tomorrow morning.

Stops the Cough and Works Off the Cold.

Laxative Bromo-Quinine Tablets cure a cold in one day. No Cure, No Pay. Price 25c each.

Pepsin preparations often fail to relieve indigestion because they can digest only albuminous foods. There is one preparation that digests all kinds of food, and that is Kodol Dyspepsia Cure. It cures the worst cases of indigestion and gives instant relief, for it digests what you eat.

HORSE KILLED.—"Grape Shot," the horse belonging to Chief Petty of the fire department, and which was a great favorite in the city, while capering in its stable last night fell and broke its shoulder. A veterinary surgeon was summoned who decided that nothing could be done for the horse, so this morning it had to be shot. Chief Petty is much distressed over his loss.

THE MARKET.—But few of the stalls in the area of the market were occupied this morning by country people, most of them having been kept at home by the inclemency of the weather. There was an abundant supply of everything needed by those who attended market, however, and prices for poultry, butter and eggs showed a slight decline in prices.

RAILROAD MISSION.—Rev. T. C. Darst, of the Theological Seminary, will preach in the Railroad Mission Auditorium tomorrow afternoon at 4 o'clock. Mr. Darst is an eloquent speaker and a large audience is expected to hear him. The musical committee has arranged for special music to be rendered at this service.

A PRETTY DANCE.—The Alexandria German Club gave their regular monthly dance in McBurney's Hall last night. Although not very largely attended the dance was a very pretty one and was greatly enjoyed by all who took part. The first half of the German was led by Dr. L. E. Greene and the second half by Mr. Taylor Burke.

TO CURE A COLD IN ONE DAY

Take LAXATIVE BROMO QUININE TABLETS. All druggists refund the money if it fails to cure. E. W. GAY'S signature is on each box. 25c.

The most soothing, healing and antiseptic application ever devised is DeWitt's Witch Hazel Salve. It relieves at once and cures piles, sores, eczema and skin diseases. Beware of imitations.

LOCAL BREVITIES.

Three lockers were at the station house last night.

There were no cases for trial in the Police Court this morning.

The camp of Woodmen of the World met in Everett Hall last night and elected officers for the ensuing year. Sovereign A. C. Fine, chairman of the sovereign managers, was present and delivered an address.

Mr. Horatio Ball, until about a decade ago one of the most prominent farmers of that section of Virginia west of Arlington, died yesterday in the seventy-fifth year of his age at his residence, 129 Carroll street, southeast Washington.

The Helpers of the Second Presbyterian Church have elected the following officers for the ensuing year: President, Miss Sue Pierson; vice president, Mrs. W. G. Rogers; secretary, Miss Reta Agnew; and treasurer, Miss Cora Latham. Hereafter they will meet every second Friday at the homes of the various members.

Rev. A. H. Hamilton, of Midway, Augusta county, is visiting Rev. Frank J. Brooke, of the Second Presbyterian Church, and will on Sunday next deliver a lecture in that church on "The Synod's Home Mission Work" at the morning service. Dr. Hamilton is chairman of the committee of Evangelization of the Synod of Virginia.

The Washington Traction and Electric Company is to be reorganized. The small and unprofitable lines prove too heavy a drain upon the system to permit it to be operated as a whole to the advantage of the stockholders. The road is said to be losing money and there have been recent rumors of a receivership.

During the high wind last night several fences were blown down, parts of tin roofs were blown off and some of the electric wires were prostrated. The breaking of an electric light wire caused all the lamps on one circuit to be extinguished.

Some carpenters who had been at work in the house belonging to the estate of Mrs. R. W. Wheat, on upper Prince street, left a door open yesterday evening, and the police being notified that the house was open investigated the matter.

Mary Coleman, colored, who was burned by the explosion of an oil stove at the residence of Mr. Frank Warfield, on south Fairfax street, on Thursday last week, died at the Infirmary yesterday. She was buried this morning.

The remains of Mrs. Bradford, a daughter of Mr. Harris Freeman, who died in New York yesterday, will be brought to this city and buried from Mr. Demaine's undertaking establishment tomorrow morning at nine o'clock.

At Grace Church tomorrow at 11 a. m. baptism of infants will be administered. The pastor's baby will be one of the candidates. Rev. Dr. S. A. Wallis, of the Theological Seminary, will preach the sermon.

Mr. Anna E. Loomis, aged 54 years, died at her home in Washington on Wednesday. She was a daughter of the late C. C. Berry, of this city, and resided here during the earlier years of her life.

The funeral of Mrs. Esther Bendheim, who died in Washington yesterday, will take place at 11 o'clock Monday morning from the residence of Mr. Max Fischer, 1615 T street, N. W.

Mr. D. T. Demarest, of Alexandria, is buying hickory wood throughout Charles county for a spoke factory. [Maryland Independent.]

FIFTY-SIXTH CONGRESS

Washington, January 26, 1901.

SENATE.

Admiring friends made the desk of Mr. Culom, of Illinois, a bower of magnificent floral beauty this morning in the Senate in congratulation of his reelection for the term beginning March 4, 1901.

Mr. Nelson was greeted by a neat floral tribute, as he took his seat, in recognition of his re-election.

Mr. Heitfield presented the credentials of Senator-elect Dubois, of Idaho, and Mr. Mason presented the credentials of Mr. Culom.

Mr. Morgan presented the resolutions recently adopted by the national board of trade, endorsing certain measures in Congress.

The consideration of the Indian appropriation bill was then resumed.

Mr. Hawley presented the conference report on the army reorganization bill. He pointed out two errors in numbering in the report and asked for a new conference.

Upon request of Mr. Hawley, the army bill conference report went over until Monday.

Mr. Lodge insisted upon a printed report before agreeing. He held that there might be other features upon which the Senate might disagree.

Mr. Hawley and Mr. Allison objected to delay.

Mr. Platt, of Connecticut, asked for the reading of the report.

President pro tem Frye attempted to cut off the debate by declaring Mr. Hawley's motion agreed to.

Messrs. Chandler, Platt and Lodge protested against such arbitrary ruling. The reading of the report was ordered.

HOUSE.

The House resumed consideration of the bill to revise and codify the postal laws today.

At 4 o'clock eulogies on the life and character of Senator Gear, of Iowa, deceased, will be delivered.

An amendment to the postal code bill to prevent the sub-letting of star route contracts was defeated after a prolonged discussion.

A Prominent Chicago Woman Speaks.

Prof. Roxa Tyler, of Chicago, Vice-President Illinois Woman's Alliance, in speaking of Chamberlain's Cough Remedy, says: "I suffered with a severe cold this winter which threatened to run into pneumonia. I tried different remedies but I seemed to grow worse and the medicine upset my stomach. A friend advised me to try Chamberlain's Cough Remedy and I found it was pleasant to take and it relieved me at once. I am now entirely recovered, saved a doctor's bill, time and suffering, and I will never be without this splendid medicine again." For sale by Richard Gibson, druggist.

When threatened by pneumonia or any other lung trouble, prompt relief is necessary, as it is dangerous to delay. We would suggest that One Minute Cough Cure be taken as soon as indications of having taken cold are noticed. It cures quickly and its early use prevents consumption.

MONETARY AND COMMERCIAL.
